

# VETERANS DAY

Join Home Base in honoring those  
who have served our country.

STUDENTS FOR

VETERAN  
AND FAMILY CARE

## Fundraising Ideas

- ★ Accept pocket change as donations at your Veterans Day assembly. Pass a bucket or hat around your school or in the parent pickup line that week.
- ★ Accept donations for items like small American flags, buttons, or T-shirts, or have a bake sale at your school.
- ★ Use the Student Ambassadors letter of support to ask local businesses for donations.
- ★ Get a coach, teacher, or your principal to agree to shave their head (or beard) if your students reach a fundraising goal (this idea is always a fun one!).
- ★ Create a fundraising competition among your classes or grades with an incentive for the winner. Take a look at setting up the online giving page you receive with the Student Ambassadors registration for help with this.
- ★ Host a dress-down or Red, White, and Blue day for students or teachers who bring a \$5 donation.

## Veterans Day Activities

- ★ Gather students and faculty to discuss the importance of Veterans Day and thanking Veterans. Play Home Base's video about military service and Post-Traumatic Stress Disorder (PTSD).
- ★ Invite a local Veteran (faculty, parent or community member) to share a few words about their military service and experiences.
- ★ Invite your JROTC to present the colors, ask your school's band or choir to play/sing patriotic tunes, ask attendees to recite the pledge of allegiance and national anthem.
- ★ Encourage a friendly competition amongst students to create a Veterans Day poster or piece of artwork, decorate a classroom door, or create an essay contest asking students to share why Veterans Day is important to them.
- ★ Dedicate one of your school's sports game as a military appreciation game, allowing veterans in for free, and recognize each branch of service.
